

January 2, 1973

The amendment would apply to Rule #4, Section 6, Page 20 of the rules which presently read "only those resolutions specified in Sections 2 and 3 of this rule shall be engrossed". What this would do is delete the third, so that the rule would read only sections two of this rule shall be engrossed.

SPEAKER: Does that take care of your question Senator Goodrich? Any further questions or discussions? All those in favor of the Luedtke motion say aye, opposed no. Motion is carried. Now the question before the house is shall the rules be adopted as amended? That is a Carpenter motion. I guess it's been seconded. Any further discussion.

SENATOR CHAMBERS: Mister speaker and members of the Legislature, the last time there was a requirement for swearing in I was being sworn in for the first time and I wasn't aware of the various activities of the Legislature and the question has not been answered for me yet, if the new members vote now and they have not been sworn in are their votes countable, in other words is this vote meaningful or is it just a formality that is just being done to be done?

SPEAKER: I think it's the same question you have to organize yourself before you can do business and I think this is the process we are going through and if we dispose of this matter we will be, swearing in ceremony, we'll be organized and if there is anything that's been done that they want to undo, they certainly have the privilege. Are you ready for the question? All those in favor of adopting the rules as amended vote aye, opposed vote no. Have you all voted? Clerk will record the vote. Motion is adopted. Any motion on the desk?

CLERK: Mr. President we have a communication. It will be placed in file in the legislative journal.

SPEAKER: Anything else on the clerk's desk? The chair recognizes Senator Cal Carsten.

SENATOR CARSTEN: Mr. President, I move that a Committee of five members be appointed to serve as the Committee on Credentials to report to the legislature on the results of the general election of November 1972.

SPEAKER: It's been moved and seconded that a committee be appointed on credentials, a committee of five, all those in favor of a motion, is there any discussion, all those in favor of the motion say aye, opposed no. The motion is carried. The chair will appoint Cal Carsten, Senator Moylan, Senator Duke Snyder and Senator Walt Epke and Senator Simpson. You will meet with the clerk who has the necessary credentials for you to look at. Legislature will come to order.
